

Warranty

All products sold come with a 90 day warranty. If the product is defective within the warranty period, then the buyer may return the product for replacement.

Buyers **MUST** contact us and receive a Returned Merchandise Authorization (RMA) prior to returning any defective product. Returns without a RMA will not be processed.

Our warranty does not cover products that become defective through misuse. We shall determine whether misuse has occurred in our sole discretion.

We reserve the right to request proof of purchase and/or product defectiveness. The buyer is responsible for any return shipping costs. If we determine that the returned product is not defective, then the buyer may only be eligible for an in-store credit in the amount of the purchase price instead of a replacement.

Please return any defective products in its original packaging along with a copy of the invoice and a brief explanation of the defect. The package must have the RMA number written on the front and be sent to:
